A day of lectures on probability and dynamics; celebrating Michael Lin's birthday.

Dear friends and colleagues.

We are delighted to invite you to a special day of lectures on dynamics and probability:

In honor of Michael Lin's 80th birthday. At Ben-Gurion university of the Negev. On Tuesday 31/5/2022 between 10:30-16:30.

There will be four lectures given by:

Jon Aaronson (Tel-Aviv University) Dmitry Dolgopyat (University of Maryland) Omri Sarig (Weizmann institute) Eli Glasner (Tel-Aviv University)

Please save the date. We will soon send an additional e-mail with more precise information.

Time: *May 31, 10:30—16:30, 2022*
