# Operator and System Theory

---

---

*On Monday, November ,23 2015*

*At 14:30 – 16:00*

*In Room 201*

Joe Ball (Virginia Tech)

will talk about

**Nevanlinna-Pick interpolation and matricial  
Lyapunov order relations: the free  
noncommutative setting**

**Please Note the Unusual Time and Place!**
