Department of Mathematics, BGU

BGU Probability and Ergodic Theory (PET) seminar

On *Thursday, June ,25 2026*

At *11:10 – 12:00*

In *101-*

Moshe Newman

will talk about

In memoriam David Newman

Abstract: I will talk a bit about my father, the people who helped him mathematically here and elsewhere, and i will describe some open problems in combinatorics and number theory that he left behind.
