

## The Department of Mathematics

2020–21–A term

**Course Name** Proof writing workshop

**Course Number** 201.1.2241

**Course web page**

<https://www.math.bgu.ac.il/en/teaching/fall2021/courses/proof-writing-workshop>

**Office Hours** <https://www.math.bgu.ac.il/en/teaching/hours>

### Abstract

### Requirements and grading<sup>1</sup>

### Course topics

The goal of the workshop is to accompany first year mathematics majors, and to improve their skills in writing formal proofs. In the course of the workshop, the students will work in small groups on writing proofs, with an emphasis on topics related to the foundational first year courses.
