

המחלקה למתמטיקה, בן-גוריון

אשנב למתמטיקה

ביום שלישי, 20 במרץ, 2018

בשעה 18:15 – 19:45

באולם 101-

ההרצאה

**מזעריות-סדר: גן העדן בו אין אינטגרלים, כל הפונקציות גזירות,
וגבולות תמיד קיימים**

חינתן על-ידי

אסף חסון

תקציר:

¹Mountains Candy Rock Big The

were fires jungle the And down went sun the as evening One
"Boys, said, he And hiking, hobo a came track the Down burning,
the Besides away far that's land a for headed I'm turning not I'm
Rock Big The see and go we'll me, with come So fountains crystal
Mountains Candy
and fair that's land a There's Mountains, Candy Rock Big the In
every out sleep you And bushes on grow handouts the Where bright,
day every shines sun the And empty are all boxcars the Where night.
lemonade The trees cigarette the And bees the and birds the And
Mountains. Candy Rock Big the In sings bluebird the Where springs
legs wooden have cops the All Mountains Candy Rock Big the In
soft-boiled lay hens the And teeth rubber have all bulldogs the And
hay of full are barns the And fruit of full are trees farmers' The eggs
don't rain the Where snow no ain't there Where go to bound I'm Oh
Mountains. Candy Rock Big the In blow don't winds The fall
socks your change never You Mountains Candy Rock Big the In
rocks the down trickling Come alcohol of streams little the And
blind are bulls railway the And hats their tip to have brakemen The
around all paddle can You too whiskey of And stew of lake a There's
Mountains Candy Rock Big the In canoe big a In it
And tin. of made are jails The Mountains, Candy Rock Big the In
no ain't There in. are you as soon As again, out right walk can you
stay to bound I'm picks, nor saws axes, No shovels, short-handled
invented That jerk the hung they Where day, all sleep you Where
Mountains. Candy Rock Big the In work
