### Postdoctoral Position in Mathematics

A position is available **starting 1 October 2018**, at the Department of Mathematics of Ben Gurion University, Israel.

This is a research fellowship (without teaching duties), offered for one year, with a possible extension for up to three years. The fellowship will be funded by the Israel Science Foundation Grant "Derived Categories and their Applications in Algebra and Geometry", under the direction of Prof. Amnon Yekutieli.

The candidate is expected to have excellent knowledge and research capability in at least two of these research areas: *derived categories, algebraic geometry, noncommutative algebra and derived algebraic geometry*.

Some administrative information can be found here:

<https://www.math.bgu.ac.il/en/people/positions>

The amount of financial support will be determined later, based on various parameters.

Qualified candidates should write to:

Prof. Amnon Yekutieli

[amyekut@math.bgu.ac.il](mailto:amyekut@math.bgu.ac.il)

<http://www.math.bgu.ac.il/~amyekut>

Please include this material with your application:

- Curriculum Vitae (with list of publications)
- Research Proposal

Also please arrange to have 2-3 letters of recommendation, to be emailed directly to Prof. Yekutieli at the address above.
